Dear Westside Neighbor:

You've just received a copy of the new Westside Directory! The Directory is free and will prove to be a useful source of information for doing business in the neighborhood. You're receiving the directory either because you requested it or because your business or organization is listed in it. If you have any questions regarding the Westside Project Area Committee or if you would like additional free copies of the Directory, please feel free to call me at the WPAC office (432.6754) and I'll get back to you as soon as possible.

Enjoy!

Lee Adams/Coordinator, Westside Project Area Committee
