Dear Nick,

It is a pleasure for me on behalf of the Westside Project Area Committee to extend to you a hearty congratulation on your new appointment as Harbor Commissioner. Your tireless work and dedication on behalf of the Westside and entire city makes you a welcome and needed advocate to such a position. We have no doubt that you will bring the same integrity and dedication to the tasks that lay before you that you have brought, for so many years, to this neighborhood, city, and Committee. We look forward to your new appointment with pride and a very happy heart.

Sincerely,

Tony Rivera
Chair
